About the course

The BTEC Level 4 HNC is a broad-based business qualification which is intended for students who are seeking an alternative to a Foundation Degree or Degree and who wish to combine study and part-time work.

The course will be taught by lecturers who have relevant business experience. The team will be complemented by guest speakers who are working within the related industries.

The BTEC Level 4 HNC course is a full time course delivered over 2 days each week, where you will explore, challenge and develop your academic study skills, including:

• active research
• effective writing
• analytical skills
• critical thinking
• creative problem solving
• decision making
• preparing for exams, and
• using digital technology

The aims of the Pearson BTEC Higher Nationals in Leadership and Management for England are:

• to develop students' leadership and management skills, knowledge and understanding to achieve high performance in the business environment

• to develop students with enquiring minds, who have the abilities and confidence to lead and manage within different business functions, be able to respond to change and tackle a range of complex business situation

• to provide insight into business operations and the opportunities and challenges presented by a global marketplace so that students can create and deliver operational plans that achieve goals and objectives to develop students' understanding of the major impacts that digital technologies have upon the business environment, data security and management, and how to effectively use technology in an organisation

• to provide the core skills required for a range of careers in leadership and management, including operations management, talent management, marketing, and sales

• to develop student behaviours that are inclusive, agile, and professional, to enable students to strive for achievement in all aspects of work and demonstrate resilience and accountability

• to offer a balance between employability skills, behaviours, and knowledge essential for students with employment or academic ambitions

• to equip students with knowledge and understanding of organisational values, culturally diverse organisations, cross-cultural issues, diversity, and values.

A range of mandatory units will be studied throughout the course, including:

Unit 1 The Contemporary Business Environment

Unit 2 Marketing Processes and Planning
