About the course

Free course subject to eligibility

This course is for people who want to learn English for work, for study or to live in the UK.

You will learn to speak, read and write in English.

You will also learn about living and working in the UK: for example:

- What do you say when you meet other people?
- What do you do or say when you are unwell? How do you fill in a form?
- Where can you get career advice? How do you look for a job? How do you behave in an interview? What is volunteering?
- How do you write an essay? How do you answer exam questions?
- What can I do to improve my English when I am not in class?

You will also learn about the variety of cultures in the UK and the British way of life.

If you make enough progress during your course you will be able to sit an exam and get a certificate from Trinity College London.
If you do not sit an exam you will receive a College certificate explaining what you have achieved.

We offer classes from beginners to advanced level.
Classes are daytime, 10.00 – 13.00 or evening 6.00 – 9.00pm

Progression and career opportunities
When you have improved your level of English sufficiently you will be able to
- apply for a job in your area of work or
- continue with your studies and go to university or
- join an apprenticeship scheme or a vocational programme, at Cambridge Regional College or at another provider.

Entry requirements
