**About the course**

An employee in this occupation will be responsible for the safe handling of goods and the accuracy of putting stock away in the correct locations and the accuracy of picking products in accordance with the orders received. This may include the packing of goods and ensuring product is not damaged. In a small operation they may be responsible for the whole process of incoming goods, storage and outgoing orders. They may be required to operate different forms of mechanical handling equipment such as fork lift trucks, cranes, pallet trucks and reach trucks. They should operate all equipment in a safe manner and be aware of any specific regulations which may apply to the products handled.

Suitable job roles include: Fork lift truck operator, Picker, Store Person, Warehouse Assistant, Warehouse Operative, Warehouse Person

There is no upper age limit for apprenticeships making it a course ideal for those looking to start a career in a particular sector and gives them opportunity to progress further in their career.

**Progression and career opportunities**
