About the course

UK employers, particularly in the health and social care sector, are increasingly interested in their staff having a sound understanding of a range of mental health problems.

The demand for mental health skills and resources has been steadily growing throughout the last decade, but since COVID19 that demand has increased. Employees and employers have found the importance of mental health awareness at the forefront of their agendas.

This qualification aims to raise your awareness of mental health and a range of mental health problems. This mental health course allows you to gain an understanding of prevalent mental health problems and how to work with or interact with individuals with them.

When you click ‘Apply Now’ you will be taken to an external site, you may be required to search for this course using the navigation tools, once found you can click ‘Apply now’ and start your application.

Progression and career opportunities

This accredited qualification not only supports in developing your knowledge of a specific topic but also supports you in building your CV, employability and career progression opportunities.
