There is a growing trend of spiking in the UK. As the hospitality sector reopens its doors to the public, the number of reported spiking incidents have seen a dramatic increase. There is also a worrying new trend of needle spiking which brings new challenges and risks.

This course is aimed at anyone who wants to expand their knowledge on spiking. Learn what spiking is, the types of drugs used and how to reduce the risks of being spiked. It provides insights on how to identify risks of spiking in various settings and the impact it can have on communities.

Learn about what spiked drink symptoms are, how to spot someone who may have been spiked and what to do next.

When you click 'Apply Now' you will be taken to an external site, you may be required to search for this course using the navigation tools, once found you can 'Add course to basket' and 'continue to

payment' to purchase and access this course.
