About the course

This industry recognised level 4 Award provides the advance knowledge and practical skills required to perform safe, effective skin peeling treatments within a professional learning environment. This course is designed for qualified beauty or skin practitioners looking to progress into clinical aesthetics. The course blends in-depths theory and hands on practical training to build confidence, competence and professional expertise.

Compulsory units to be covered on the course:

• Provide Skin peeling treatments

A well-groomed and professional appearance is essential as you will be working with the public and

need to present a professional image. Great importance is also placed on reliability requiring regular attendance and punctuality.

Additional to costs listed above, there will be a kit fee, and a uniform fee costing approximately £50.

Progression and career opportunities

On successful completion of the Level 4 Award in skin peeling treatments there are further training or career opportunities to further your career for example;

- Progression onto a level 5 qualifications
- Laser and light-based therapies or further Aesthetics practitioner
- Access to nursing
- Advanced beauty therapist
- Aesthetics practitioner (non-medical)
- Skin specialist
- Salon/clinic owner
- Self-employed basis

Entry requirements

This Course is suitable for anybody over the age of 19 and who has already achieved a Level 3 Diploma in Beauty Therapy or equivalent, a positive reference and a successful interview.

If English is your second language, you must hold an ESOL Level 1 qualification. As this is a part time course, this course will demand high levels of home study and commitment.

All learners will be required to complete an English assessment during interview

Assessment

The course will be delivered in a variety of ways, with face-to-face contact and distance learning from home. Therefore, you will be required to be motivated and organised to ensure you complete your studies timely as there are five mandatory units on the course to cover and complete.

We want you to achieve to the very best of your ability at CRC. To make this happen we offer tutor support throughout the course. The skills you are learning should be practised outside college in order to develop and progress, and your practical skills will be supplemented with theoretical study necessary to successfully complete the assessments. You will need to set time aside at home to work on your portfolio, home study for theory.

You may be required to provide clients for assessment as the college cannot guarantee client availability.
