**Progression and career opportunities**

These qualifications are intended to be accessible to a wide range of learners of all abilities.
Learners can develop a 'hands-on' approach to their learning and gain practical skills, knowledge and understanding in their chosen vocational area(s). The skills, knowledge and understanding gained may help learners prepare for work through real or simulated work situations and may contribute to preparing them for working life beyond education.

The NCFE Occupational Studies for the Workplace (Entry 3) qualifications are intended to give learners a solid base from which to further develop their skills and learning.
Learners may progress to a full Level 1 study programme the following year.

**Entry requirements**

There are no formal academic entry requirements, applicants should be enthusiastic and have an interest in the subject matter, have a willingness to learn and to be part of the college community.

In addition, the offer of a place on the course is subject to the outcomes of initial assessment, which will be completed during taster days and/or induction as part of the admissions process.

**Assessment**

We want you to achieve to the very best of your ability at CRC. To make this happen we offer both learning and personal support by specialist staff tailored to meet your specific needs.
During your course you will be able to study for Functional skills maths and English and may have the opportunity to study GCS
