About the course

This course will give you knowledge and experience of a range of transferable business skills, techniques and attributes so that you can specialise in an area of business that interests you. You will be carrying out a period of work experience which will enable you to put your theory into practice and enhance your CV.

Explore, challenge and develop your

- understanding of the business world e.g. funding, tax, identifying potential markets, grants, business set up loans, costing, marketing strategies, business planning, pitching, research techniques, enterprise skills and developing innovative ideas

- ability to plan and shape your business ideas e.g. start up, marketing and selling your ideas to

potential sponsors and partners

- networks by interacting with existing entrepreneurs and business leaders in our community and learning the secrets of a successful business, pitfalls to avoid and managing ambition with a work life balance

- English and Maths through either a GCSE Pathway or GCSE retake programme

- English, Maths and IT skills through the vocational assignments

- employability skills e.g. project management, communication, interpersonal skills, team working, problem solving plus an ability to plan, shape, market and sell your business ideas. You will become a pro-active, self-motivated, autonomous individual with an entrepreneurial attitude

Compulsory residential activities to develop team work and practical skills are an integral part of the course. There is an additional cost of £300 to cover these trips as well as covering costs of day trips or residential and guest speakers. This charge is to be paid at enrolment and is non-refundable. The Learner Support Fund is available and could help assist in paying towards these fees.

* There will be a Level 3 Business and Law offer, however, subject to government curriculum reform, we may not offer all
of the currently listed options.
