About the course

The Extended Diploma in Architecture and Interior Design, will build on your design and technology experiences and will give you the opportunity to develop, broaden and strengthen your skills, or learn new ones if no previous design experience. You will be encouraged to work on your own initiative, learn to think independently and solve problems with flair; all with the teaching and support of specialist lecturers in our range of well-equipped workshops. In the first year (diploma) you will initially gain a broad knowledge of Design practices and then specialise within a pathway of your choice:

Subjects and areas covered:

• History of Architecture and Design
• 3D Model making
• Digital design
• 2D and 3D design
• Technical drafting
• Projects
• Materials and colour

In addition to the specialist skills described above, we will help you to develop a range of wider skills that will makes you into a well-rounded professional, who will be highly valued by employers and universities.

English, Maths and IT, Employability, Personal Learning, Social and Community skills, together with your Specialist skills and qualification will give you a distinct advantage when it is time for you to progress to employment or further and higher education.

Progression and career opportunities
On successful completion of this two-year programme, you will have the opportunity to progress onto the Level 4 HNC Architectural Technology or HNC Interior Design.
