About the course

Students at Level 1 will study a core programme of career development and self-assessment of skills along with, tutorial, enrichment, English and mathematics.
Students will get an opportunity to specialise in a route of either ICT, Business or Tourism based on their desired career aspirations.

There is an additional cost of £50 to cover trips and guest speakers. This charge is to be paid at enrolment and is non-refundable. The learner support fund is available and would help assist paying towards these fees.

Progression and career opportunities

• Level 2 Information & Creative Technology

• Level 2 Business Studies
• Level 2 Travel & Tourism
