About the course

After completing Year 1 Level 1 Diploma in Automotive Maintenance and what to know more and progress into the industry then this is the course for you. It covers a range of skills from routine maintenance to repair techniques, including health and safety in the workplace, tools and equipment for vehicle maintenance, and various vehicle systems like steering, suspension, braking, and tyres. The qualification is based on the Knowledge, Skills, and Behaviors (KSBs) for the Level 2 Autocare Technician apprenticeship standard ST0499 V1.2, developed by employers from the automotive sector.

The course will build on skills from the previous year in the practical and Theory areas of your study

Areas Covered within the programme:

- Health, Safety, in the Automotive Environment
- Customer Service Skills in the Automotive Sector
- Knowledge and Skills in Routine Vehicle Inspection and Maintenance
- Knowledge and Skills in Routine Engine System Maintenance
- Knowledge and Skills in Replacing Vehicle Chassis Components
- Knowledge and Skills Vehicle Air Conditioning Systems.
- Knowledge of Electric and Hydrogen Vehicle Operation, Hazard Awareness and Safety Precautions
- Knowledge of Motor Vehicle Advanced Driver Assistance System (ADAS) Components

Work placement in the commercial environment is part of your course, encouraging you to gain your own placement as well as looking at opportunities that the college may be able to offer. This helps you to develop real life working skills and employability.

Progression and career opportunities

This qualification could enable an individual to progress onto an automotive apprenticeship programme or a higher level of learning and training.

Entry requirements

Entry will depend on a successful interview and ~~and~~ completed Level 1 Diploma in Automotive Maintenance

Individuals will be considered on their suitability, references showing good attendance and behaviour on previous course and a genuine interest in the industry.

In addition to the entry qualifications listed, the offer of a place on the course is subject to the outcomes of initial assessment, which will be taken at the College as part of the admissions process. Please note that entry criteria may vary quite significantly between courses at the same level. This is to take account of the specific skills needed for success on courses, the length of the course and the requirements for progression to the next level.
