About the course

The Level 2 Diploma in Engineering Technologies is a qualification designed to develop practical skills and build related theory knowledge within engineering. The course is designed to be broad in content and increase awareness of what a potential engineer will face within the trade.

Specialist Skills include:

Engineering Maths & Science
Environmental Awareness
Engineering Techniques
Electrical/Electronic principles, testing & systems
Welding
Turning/Milling

The development of practical English and Maths skills will be an essential part of your programme. If you do not have GCSE English and Maths at grade C minimum, you will be required to retake these subjects as part of your study programme. IT will be embedded in the delivery of your specialist skills. The study programme will also include Personal and Professional skills that will develop your employability, helping towards finding you a career in the Engineering industry. You will also undertake work experience.

Progression and career opportunities

Engineering apprenticeship routes may be available through work-based learning, alternatively full-time engineering level 3 EAL or BTEC programmes with appropriate grades and attendance would be the next natural progression route. Employment would be at setter/operator level requiring regular monitoring and supervision upon completion of this qualification.

Entry requirements

You will need 3 GCSEs at Grade 3 (D) or above to include English or Maths.

Finance and Funding

Up To and Including Level 2 Funding

This course is fully funded, free, for learners who are aged 19 and above and earn below £25,000, or below £30,491 and live in the Cambridgeshire and Peterborough Combined Authority area.

Fully-Funded Level 3 Qualifications

This course is fully funded, free, for learners who are aged 19 and above and earn below £25,000, or below £30,491 and live in the Cambridgeshire and Peterborough Combined Authority area.

CPCA Funding

This course is fully funded, free, for learners who are aged 19 and above and earn below £25,000, or below £30,491 and live in the Cambridgeshire and Peterborough Combined Authority area.
