Progression and career opportunities

Successful completion of your individualised learning journey will allow you to progress to other courses at the college, to develop new skills for greater independence and/or move towards gaining supported employment/voluntary work.

Entry requirements

You will be assessed through a transition and induction programme which will ensure that you develop

your communication, social, independence, reading, writing and numeracy skills at an appropriate level. There are no formal entry requirements for this programme and your individual learning plan will be developed to ensure that you achieve your goals. Have a keen interest in your chosen subject area.Please note that entry criteria may vary and this will be assessed by your tutors. For this course you are likely to be working towards Entry Level 2.

Assessment

We want you to achieve to the very best of your ability at CRC. To make this happen we offer both learning and personal support by specialist staff tailored to meet your specific needs.

We want you to achieve to the very best of your ability at CRC. To make this happen we offer both learning and personal support by specialist staff tailored to meet your specific needs.
You will complete a portfolio of work which will be assessed and you may have the opportunity to achieve nationally accredited qualifications or to develop specific individual targets through our College Certificate. You will also be assessed on your progress through a range of methods including speaking, listening, reading, writing, project based learning, video and photographic evidence.

Finance and Funding

Up To and Including Level 2 Funding

This course is fully funded, free, for learners who are aged 19 and above and earn below £25,000, or below £30,491 and live in the Cambridgeshire and Peterborough Combined Authority area.
