Aspire is a programme that runs 4 days per week 9am to 3pm.⊠⊠It enable young people to take an accredited award in Enterprise through Gateway Qualification at entry 1 or entry 2 depending on the young person's ability.

The curriculum is rich and varied and allows young people to develop their English and maths skills as well as speaking and listening so that they can speak up about their own plans for their adulthood.

Young people on Aspire will have the chance to develop vocational skills from a range of choices and

have English, maths, ICT, art, drama, music, wider world and employability as part of their programme.

Aspire is a pathway for learners that need to build their skills to move on to the pathways that have more accredited learning within them.⊠⊠Aspire can be a finishing course for Learning for Life learners or a starting course for those that want to move on through the Entry 2 and Entry 3 pathways but may lack the confidence or ability in basic skills.

About the course

Aspire is a programme that runs 4 days per week 9am to 3pm.⊠⊠It provides an opportunity for young people to take an accredited award in Personal and Social Skills through Gateway Qualification at entry 1 depending on the young person's ability.

The curriculum is rich and varied and allows young people to develop their English and maths skills as well as speaking and listening so that they can speak up about their own plans for their adulthood.

Young people on Aspire will have the chance to develop vocational skills from a range of choices and have English, maths, ICT, art, drama, music, wider world, social inclusion and employability as part of their programme.

Aspire is a pathway for learners that need to build their skills to move on to the pathways that have more accredited learning within them.⊠⊠Aspire can be a finishing course for Learning for Life learners or a starting course for those that want to move on through the Entry 2 and Entry 3 pathways but may lack the confidence or ability in basic skills.

Progression and career opportunities

Young people on Aspire will have the chance to try out a supported work experience within the college setting as well as some opportunities to get involved in community action projects.

EHCP Manager - Sharon Baldock

Entry requirements

You will be assessed through a transition and induction programme which will ensure that you develop your communication, social, independence, reading, writing and numeracy skills at an appropriate level. There are no specific entry requirements for this programme and your individual learning plan

will be developed to ensure that you achieve your goals. Please note that entry criteria may vary and this will be assessed by your tutors. For this course you are likely to be working towards Entry Level 1 or 2.

Assessment

We want you to achieve to the very best of your ability at CRC. To make this happen we offer both learning and personal support by specialist staff tailored to meet your specific needs.

We want you to achieve to the very best of your ability at CRC, Cambridge Campus. To make this happen we offer both learning and personal support by specialist staff tailored to meet your specific needs.
You will complete a portfolio of work which will be assessed and you may have the opportunity to achieve nationally accredited qualifications or to develop specific individual targets through our College Certificate. You will also be assessed on your progress through a range of methods including speaking, listening, reading, writing, project based learning, video and photographic evidence.

Finance and Funding

Up To and Including Level 2 Funding

This course is fully funded, free, for learners who are aged 19 and above and earn below £25,000, or below £30,491 and live in the Cambridgeshire and Peterborough Combined Authority area.
