A pre-entry and bespoke programme that supports students with high levels of learning difficulties including ASD and SLD. Each student will get a personalised study programme to build confidence in numeracy skills, communication, reading, writing and other personal and social development skills. The programme will also be tailored to help you gain greater independence at home and in the community.

About the course

A pre-entry and bespoke programme that supports students with high levels of learning difficulties including ASD and SLD. Each student will get a personalised study programme to build confidence in numeracy skills, communication, reading, writing and other personal and social development skills. The programme will also be tailored to help you gain greater independence at home and in the community.

For more details contact:

Head Of Department - (Huntingdon Campus) - Toni Harrison

EHCP Manager - Sharon Baldock

Progression and career opportunities

Successful completion of your individualised learning journey will allow you to progress to other courses at the college, to develop new skills for independence and/or move towards gaining supported employment/voluntary work.

Entry requirements

You will be assessed through a transition and induction programme which will ensure that you develop your communication, social, independence, reading, writing and numeracy skills at an appropriate level. There are no specific entry requirements for this programme and your individual learning plan will be developed to ensure that you achieve your goals. Please note that entry criteria may vary and this will be assessed by your tutors.

Finance and Funding

Up To and Including Level 2 Funding

This course is fully funded, free, for learners who are aged 19 and above and earn below £25,000, or below £30,491 and live in the Cambridgeshire and Peterborough Combined Authority area.
