This programme offers young people ages 16 – 25 the opportunity to develop personal and social skills as well as specific animal care skills.Working with small animals on our Huntingdon site and farm animals including horses at our partner farm in Hilton, St Ives, young people will have at least one day per week developing practical animal care.

College based days will include exploring different animal habitats including conservation and the natural world as well as wood craft to maintain habitats and enterprise skills for employability.

Other personal and social develop opportunities will include the opportunity to develop life skills that include undertaking a range of vocational tasters including working with Country Park Rangers, art, film, football, sport, music, media and drama.

About the course

This programme offers young people ages 16 – 25 the opportunity to develop personal and social

skills as well as specific animal care skills.⊠⊠Working with small animals on our Huntingdon site and farm animals including horses at our partner farm in Hilton, St Ives, young people will have at least one day per week developing practical animal care.

College based days will include exploring different animal habitats including conservation and the natural world as well as wood craft to maintain habitats and enterprise skills for employability.

Other personal and social develop opportunities will include the opportunity to develop life skills that include undertaking a range of vocational tasters including working with Country Park Rangers, art, film, football, sport, music, media and drama.

Progression and career opportunities

This programme leads to Gateway qualification at Entry 3 or level 1 in progression. Young people will also get the chance to take a City & Guilds qualification in maths and English or a functional skills or GCSE depending on their ability and current qualifications on entry.

Young people who are confidence and ready will be able to undertake a work experience with one of the college partners or with carefully selected employers in the local community.

Entry requirements

Students need to have Entry 2 qualifications or above and have a diagnosed SEND need or EHCP.
