About the course

The Legal Services T Level provides a specialised educational pathway for individuals aspiring to build a successful career in the legal field.

This comprehensive course covers a diverse range of topics, including criminal law, civil law, legal procedures, and legal research skills.

Through practical application and real-world experiences, you will develop the necessary expertise and proficiency for a successful and rewarding legal career.

The Legal Services T Level opens doors to a multitude of career opportunities and establishes a strong foundation for further education or professional growth in the legal sector.

Legal systems and procedures: gain insight into the structure and functions of the legal system, court processes, and legal personnel.

Criminal law: explore the fundamental principles of criminal law, criminal offenses, and the criminal justice system.

Civil law: understand the principles of civil law, including contract law, tort law, and the resolution of civil disputes.

Legal research skills: develop vital research techniques and learn how to effectively analyse Legal cases, statutes, and precedents.

Legal writing and communication: enhance your communication skills through legal writing, oral presentations, and client interaction exercises.

* There will be a Level 3 Business and Law offer, however, subject to government curriculum reform, we may not offer all
of the currently listed options.

Progression and career opportunities

- Progress to University
- Apprenticeship
- Employment: You can use the skills, knowledge and experience you have gained to start workin the business industry.

There are a variety of careers you can pursue once you have completed the course as the knowledge, skills and behaviours you will develop are highly prized within a broad range of businesses. Such as: Paralegal, Legal Secretary, Usher

Entry requirements

5 GCSEs at grades 9-4 (including English and maths).

Assessment

Throughout the Legal Services T Level programme, your progress will be assessed through a combination of examinations, practical assessments, and a work placement.

These assessments will test your understanding of legal concepts, ability to apply knowledge to real-

world scenarios, and proficiency in legal research and communication.
