We understand that the last few years in mainstream education may have been challenging for some students. For others, the pressure of choosing a course to study after finishing school can be overwhelming, and they may need more time to find the right path.

Our 16-19 Meta Programme is a one-year, flexible course designed to help students work towards qualifications in Maths and English (if needed) and achieve a Level 2 Certificate in Vocational Studies. As part of our Alternative Learning Provision, this programme provides the necessary support and flexibility for students to explore their options and make informed decisions about their future.

Optional courses to study on the programme are:

- Level 1 Award in Art and Design
- Level 1 Award in Sport and Fitness

We aim to build on variety of skills including:
- Improving own confidence
- Team working
- How to manage stressful situations
- Communication
-Work Experience
- Life skills (including money management)Early Years - Cambridge
Early Years - Cambridge

**About the course**

We understand that the last few years in mainstream education may have been challenging for some students. For others, the pressure of choosing a course to study after finishing school can be overwhelming, and they may need more time to find the right path.

Our 16-19 Meta Programme is a one-year, flexible course designed to help students work towards qualifications in Maths and English (if needed) and achieve a Level 2 Certificate in Vocational Studies. As part of our Alternative Learning Provision, this programme provides the necessary support and flexibility for students to explore their options and make informed decisions about their future.

**Progression and career opportunities**

This programme is designed to help you settle into learning and college life at a pace that suits you. Your progression pathway will be shaped by your goals, interests, and growing confidence. Throughout the course, you'll be supported to explore potential careers or further education options,

giving you the opportunity to take your first steps towards gaining the skills and knowledge you need for your future.

**Entry requirements**

No entry requirements.

**Assessment**

Learning takes place through a mix of practical and classroom based lessons, with students completing personal research linked to their projects. Progress is continually assessed through practical tasks, portfolio evidence, and personal targets. Regular tutor meetings provide guidance and support throughout the course.

**Finance and Funding**

**Up To and Including Level 2 Funding**

This course is fully funded, free, for learners who are aged 19 and above and earn below £25,000, or below £30,491 and live in the Cambridgeshire and Peterborough Combined Authority area.

**Disclaimer**

Whilst every effort is made to ensure the information is correct, some details may be subject to change. Cambridge Regional College reserves the right to make amendments to the courses, dates, fees or other details, and to make cancellations or changes if numbers are insufficient.
